# *Welcome*

## TO OUR HOME

Eyam Hall is an historic 17th century Jacobean manor house which provides a wonderful and unforgettable location for your wedding ceremony and reception. It was built as a wedding gift for John and Elizabeth Wright in 1672 and now, three and a half centuries later, it is still a treasured family home where we have been hosting weddings for over 25 years. We are delighted that you are considering Eyam Hall for your wedding which will be personally hosted by our wedding coordinator to ensure that your special day passes without a hitch, enabling you to relax and enjoy the event. Your ceremony can either take place in our Flagged Hall or in our beautiful garden and we can offer a range of options, individually tailored to the size of your wedding celebration and requirements, for your reception. Whatever you have in mind for your special day, we are determined to make it a wonderful occasion and we are confident we have something for everyone.
