## *Drinks at Eyam Hall*

At Eyam Hall we look after all your refreshment needs from the moment you and your guests arrive until the very end of the evening. Whether you have chosen to get married in one of our special locations or just arrived from a local Church, we are sure a refreshing drink will be in order. We have lots of options for you to choose from including a glass of something sparkling, locally crafted beer or a quirky cocktail. We offer lots of interesting options such as a 'pimp your prosecco' station and a barrows of beer!

During your wedding breakfast our friendly, attentive team will look after your drinks including serving your chosen wines. We are passionate about quality and presentation so you can relax knowing your white wine will be cold and crisp and your guests are always taken care of.

After your delicious meal and speeches, our fully licensed, fully stocked bar with sensible prices will open. A good Gin & Tonic is one of our passions so you will be sure find an extensive selection at our bar. During a final appointment we will go through all your drinks requirements and make sure we cover any special requests and details of your guests favourite tipples to ensure we give you the best day ever.

On the next few pages you will find details of:

Arrival Drinks Pick'n'Mix List, Wine List, Suggested Drinks Packages, Bar Prices

but if you need anything else, please do not hesitate to ask.

# *The Walled Garden*

Post Ceremony celebratory drinks are held in the beautiful walled garden.

It is a magical place to have photographs, relax, mingle with your guests, share memories of the day and have fun with friends and family. Everyone is welcome to wander round the knot garden, the avenue of espaliered apple trees, the nuttery, the kitchen garden, rose walk, croquet lawn and fountain lawn.

Croquet comes as standard, obviously!

Drinks are usually enjoyed for around 1 and 1/2 hours and in our experience two glasses per head is ideal. If you have chosen to celebrate with one of our marquees then canapés can be served throughout the gardens and if you would like live music, there are many suitable locations. Any drinks that you've ordered and not consumed will be served throughout the meal in the marquee.
